Friday, Sept. 9th @ 7 pm

Be a part of the wild, wacky fun
and ***you could win \$500!***

Event line-up and regulations enclosed
Rain Date Saturday, Sept. 10th, 7 pm

EVENT LINE-UP

WATER DRAGS

Line up against your rivals and slip 'n slide your way to the finish line without going over to claim the winning prize! Any car or truck with four wheels is eligible. Cars must have all side-glass, rear window, and accessory glass removed. Rear seat cushions must be removed. Dashboard and door panels should remain in place. Doors must be chained & bolted shut or welded shut. Sanctioned race cars are not permitted.

RAMP RACE

Any car or truck with four wheels is eligible. Cars must have all side-glass, rear window, and accessory glass removed. Rear seat cushions must be removed. Dashboard and door panels should remain in place. Doors must be chained & bolted shut or welded shut. Sanctioned race cars are not permitted. Drag race your wheels off to qualify for the main event... just don't forget to launch off the ramp!

BACKWARD DRAG RACE

Any car is eligible. Cars must have all side-glass, rear window, and accessory glass removed. Rear seat cushions must be removed. Dashboard and door panels should remain in place. Doors must be chained, bolted, or welded shut. Sanctioned race cars are not permitted. Floorboard it backward down the 200-yard frontstretch drag strip!

STREET-LEGAL SPECTATOR DRAGS

Any street-legal & registered car is eligible. Prove your car is better than your neighbor's and race one-on-one with another similarly-matched competitor's car!

PICK-UP TRUCK SPECTATOR DRAGS

Any street-legal & registered truck is eligible. Bring your truck, show your pride, and race one-on-one with another similarly-matched competitor's truck!

LADIES ONLY SPECTATOR DRAGS

Any street-legal & registered car or truck is eligible. Go Girl Power! Show your hidden driving talents in the one-on-one events!

GENERAL RULES FOR ALL EVENTS

All cars must have seat belts & shoulder harnesses. Convertible cars and cars with excessive sunroofs are not allowed; cars with T-tops are subject to inspector approval. Bracing of any kind is not allowed in street-legal, registered cars and trucks. D.O.T. or Snell approved helmets in good condition are required and subject to approval by track inspectors. Fuel tanks should have less than five gallons of fuel.
