

# ***DAY OF DESTRUCTION***

## ***GENERAL RULES FOR ALL EVENTS***

All cars must have seat belts & shoulder harnesses. Convertible cars and cars with excessive sunroofs are not allowed; cars with T-tops are subject to inspector approval. Bracing of any kind is not allowed in street-legal, registered cars and trucks. D.O.T. or Snell approved helmets in good condition are required and subject to approval by track inspectors. Fuel tanks should have less than five gallons of fuel.

**PHONE:** 207-885-0111 **FAX:** 207-885-0110 **24-hour RACE LINE:** 207-885-5800 **[www.beechridge.com](http://www.beechridge.com)**

All competitors must be in the pit area one hour prior to race time in order to be eligible to compete and to accommodate line-ups and competition announcements.

# ***EVENT DESCRIPTIONS***

[Listed events rotate randomly among event dates.]

## **BACKWARD DRAG RACE**

Any car is eligible. Cars must have all side-glass, rear window, and accessory glass removed. Rear seat cushions must be removed. Dashboard and door panels should remain in place. Doors must be chained, bolted, or welded shut. Sanctioned race cars are not permitted. Floorboard it backward down the 200-yard front stretch drag strip!

## **BACKWARD RACE**

Any car with four wheels is eligible. Vehicles must have all side-glass, rear window, and accessory glass removed. Rear seat cushions must be removed. Dashboard and door panels should remain in place. Doors must be chained & bolted shut or welded shut. Sanctioned race cars are not permitted. It's a multi-lap race... in reverse!

## **BEETLE BUG BASH**

Compact-size cars and trucks must have all side-glass, rear window, and accessory glass removed. Rear seat cushions must be removed. Dashboard and door panels should remain in place. Sanctioned race cars are not permitted. Doors must be chained & bolted shut or welded shut.

## **DONUT DASH**

Any car is eligible. Cars must have all side-glass, rear window, and accessory glass removed. Rear seat cushions must be removed. Dashboard and door panels should remain in place. Doors must be chained & bolted shut or welded shut. Sanctioned race cars are not permitted. Get ready to drag race your rivals to the finish line... just circle the giant donut on the way!

## **DOUBLE DONUT DASH**

Any car is eligible. Cars must have all side-glass, rear window, and accessory glass removed. Rear seat cushions must be removed. Dashboard and door panels should remain in place. Doors must be chained & bolted shut or welded shut. Sanctioned race cars are not permitted. Get ready to drag race your rivals to the finish line... just circle the two giant donuts on the way!

## **PICK-UP TRUCK SPECTATOR DRAGS**

Any street-legal, inspected and registered truck is eligible. Dealer plates are not accepted. Bring your truck, show your pride, and race one-on-one with another similarly-matched competitor's truck!

## **RAMP RACE**

Any car or truck with four wheels is eligible. Cars must have all side-glass, rear window, and accessory glass removed. Rear seat cushions must be removed. Dashboard and door panels should remain in place. Doors must be chained & bolted shut or welded shut. Sanctioned race cars are not permitted. Drag race your wheels off to qualify for the main event... just don't forget to launch off the ramp!

## **STREET-LEGAL SPECTATOR DRAGS**

Any street-legal, inspected and registered car is eligible. Dealer plates are not accepted. Prove your car is better than your neighbor's and race one-on-one with another similarly-matched competitor's car!

**Be a part of the wild, wacky  
fun and you could win  
\$500!**
